Moving Forward: *Following the lifting of 'Plan B' restrictions on 27th January we need to acknowledge that there is still a risk associated with gathering for sustained periods in enclosed spaces and therefore there needs to be continued caution by all against infection. Please do not attend mass if you are showing any Covid-19 symptoms. People may continue to wear face coverings, if they wish to do so, and it is strongly recommended that they do so while singing to help stop transmission. It is still good practice to sanitise hands on entering and exiting the church. We all share a responsibility to keep each other safe as we move towards a more normal way of living with the virus in circulation.* From the Bishops' conference of England and Wales. See www.cbcew.org.uk.
